

The Waste Batteries and Accumulators Regulations 2009
Part 5: Producer obligations: Industrial and Automotive batteries - Regulation 35

As a producer of industrial batteries under the Waste Batteries and Accumulators Regulations 2009, we Liteplan Limited produce lithium iron phosphate (LiFePO₄) batteries. We are obliged to take back free of charge, waste industrial batteries supplied to an end user for treatment and recycling. We are required to do this in any calendar year we place new industrial batteries on the market. If any of our customers or in certain cases other end users, require us to take back Industrial batteries, they should contact us at either, customerservices@liteplan.com, 01708 372223, or by post at:

Liteplan Limited
Apex House
Bryant Avenue
Romford
